Raising Cain: Parenting in 2011 Room 206

The goal of this class is to learn what the Bible teaches about our basic primary relationships in the family and to form principles that we can apply to families of any age children. Each session will begin with an introduction to the topic of the day and some biblical principles then the remaining time will be spent in discussion with parents of similarly aged children to flesh out the principle into practice. ~led by Beth Wiegand

Real Life Faith: Trusting God in Daily Life Room 104

Take some time to respond to the themes of faith raised in the sermons, hear stories of how faith played out in the real lives of people past and present, and discuss applications for your daily walk of faith. ~led by David Bronkema

James: Putting Feet to Your Faith Room 6

A closer look into how James calls followers of Christ to not only be readers of the Word, but doers of the Word as well.~ led by Chuck Biermaas and Nate Biermaas
