

## The Law for Life

Have you ever wondered what to do with those early books in the Bible and all the laws they present? Join us for an overview of the books of Exodus, Leviticus, Numbers and Deuteronomy as we see the glory of God in new ways. We will also take some time to look more closely at the specific laws of God, asking how they are fulfilled in Christ and what they mean for us today.

\* **Mike Plourde** will be teaching July 24 and 31 on the Ten Commandments

- **Notes will be provided for each week** along with an extensive appendix with charts, maps, and other reference material. The appendix ends with an annotated bibliography, all of which are available for loan from Mark Bickel.
- **Teaching notes for the class will be available on the church website** ([gracebfc.org](http://gracebfc.org) in the “teaching archives” for Mark Bickel).
- **Much of the appendix material is used under copyrights** that do not permit further dissemination beyond this class, thus many of the graphics used in class will be removed from the online notes.
- I would love to discuss any of this material further; **you can contact me** at [mbickel@gracebfc.org](mailto:mbickel@gracebfc.org) or (484) 788-9026.
