

July 5, 2009

We thank God and pray for our country because God has blessed us through it. We celebrate our freedom to praise God and serve Him freely. It is not so in every nation. We welcome you and invite you to take advantage of your freedom by lifting your voice in praise to our gracious and loving God.

Today

If you are a visitor, we ask you to fill out the Welcome card and place it in the offering plate. If you would like to share a prayer request or a thought, see the Communicate card. You may place it in the offering plate.
