Reaching Teens to Reach the World

# High School Ministry 2009-2010

# High School Ministry

Our purpose is to grow teenagers in their faith in Christ so that they can reach the world with His love and gospel. We do that in a number of different ways, here are the things we do on a regular basis.

## Sunday School:

Sunday at 10:45 we meet in room 201 to study God's word and provide opportunities for spiritual accountability and growth. This year we will be working through the church's vision statement with the rest of the congregation, then we will study the book [The Case for Faith](#) by Lee Strobel and by winter we will be looking at the Colossians. We look forward to what God will teach us this year.

## Youth Group

Wednesday night at 7:00-8:15 we meet for youth group. At youth group the teens enjoy fun-filled games, spirit filled worship and scripture based discussions that help teens develop a Biblical world view. We meet every week till the end of May.

## FUSION

New this year on the 3rd Wednesday of the month we will have FUSION. This will be our youth group for the night and it is a place designed for teens to bring their non-Christian friends. We will have high-energy games, videos and music as

well as heart-reaching devotionals. It's new this year and we hope that it will be a place teens bring all their friends to.

## GEO

Girls and Guys Evening Out is a monthly meeting where we separate the guys and girls to talk specifically about dating, sex, relationships and more. The girls meet on the first Friday night of the month, and the guys will meet on the first Sunday night of the month.

## MOSH Night

New last year, MOSH night is time for teens to come and hang out with their friends. The gym is open for sports and the youth room is open for hanging out, playing video games or board games and having fun. There's always good music and food.

## Service Opportunities

### Mission Trip to Russia

This year we are heading to New Corners in Russia to work with children over spring break. The details of the trip are listed in a separate brochure and we are asking teens who are interested to get their applications in by September 16. The trip begins in October when we start preparing and we look forward to all God will do through us during this time.

### NACC Childcare

This year the high school will have two different Friday night dates to come and help with the childcare for the NA group. In addition we will be

hosting a Christmas party for the group in December. Look at the calendar for dates to come.

## Other Opportunities

### Prayer Partners

Each year teens who are regularly attend our programs are assigned an adult from the church to be a prayer partner for the year. We encourage the partners to connect through Prayer Partner Sundays, during church times and also on their own time to deepen the relationship. The purpose of the relationships is to build a prayer base for our teens and for them to have more adults who reach out and show love to them.

### Claimed

Our youth band is named Claimed and they meet once a week to practice and then they lead in different worship opportunities throughout the year.
