Making Friends *Pastor Bickel and others*

Finding and Growing lasting Friendships

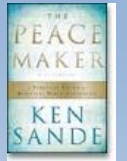

Whether you have lots of friends or none at all we can all benefit by looking at some of the friendships in Scripture. We will be looking at what defines a good friendship, as well as practical ways to meet people, develop closer relationships, and deal with the tensions that naturally arise in any relationship. We will discuss how to encourage on another in the church as well as how to develop friendships with those who do not yet know Christ.

Peacemaking *Pastor Cowen with DVD Case Studies*

Conflict Resolution in all of Life

How is conflict best resolved in life? We will endeavor to apply the gospel to the conflicts we find in everyday life and discover the opportunities that are hidden in the midst of our differences. This course is based on the "Peacemaking Church" curriculum put out by Peacemaker Ministries.

I Did and I Do *Pastor Taylor with various couples*

Faithfulness in Growing Your Marriage

Not all marriages are falling apart but even good marriages need attention. This class will focus on maintaining and preserving your marriage. The class will be a combination of Biblical study, class discussion and testimonies from those who have built solid marriages over the years.

Faithfulness in Daily Life

Practical Sermon Response

Each week we will look more in depth at the topic from the sermon. This class will be a combination of additional studies on the topic of the day, discussion and response to the sermon itself as well as application of those principles to daily life. Some of the worship services will feature a testimony of God's faithfulness in a particular relationship. On those weeks this class will include an extended testimony and time for Q&A with the speaker.
